Growth Mindset Strategies

### How YOU Can Support Your Child

Provide a conducive study environment

Ensure sufficient rest and a balanced diet

### Prioritise your child's health

- Bring her to the doctor and allow her to rest at home if she is unwell

### Manage and monitor your child's digital habits

 Have open communication about online experiences, interests, potential risks and responsible digital behaviour

- Model positive behaviour and digital habits
- Set clear boundaries and guidelines on screen time
- Establish device-free times and good sleep habits
- Supervise and monitor your child's online activities regularly
- Stay updated on online safety

https://go.gov.sg/mohscreenuse

No usage of communication devices (handphones & smart watches) during curriculum time including after school activities

Ensure punctuality and regular attendance

5 minutes a day
3 times a week over 4 terms
5 x 3 x 10 x 4 = 600 minutes
10 hours of missed learning opportunities in a year.

Travels should not take place during curriculum time

### What happens if your daughter does not know how to do her homework or practice papers?

- Do not do the homework for your daughter
- Guide your daughter and ask her questions
- If you have provided assistance, indicate next to the answer 'Guided by parent.'

Take an interest in your child's life – school & personal

Spend quality time with your child and encourage her

Affirm her efforts and celebrate every improvement

I NEVER LOSE. I EITHER WIN OR LEARN. NELSON MANDELA

Process uncomfortable feelings such as disappointment with her

### Teach your child responsibility

- to pack her bag on her own
- contribute at home by doing chores

Work out a routine / timetable with her

Set limits and firmly stick to them

Support your daughter as she learns new skills and let her work things out on her own

## PARTNERSHIP WITTER TEACHERS

Trust our teachers & work with us

Ongoing – Open Communication
Parents can email Form and Subject Teachers to discuss your child's progress and ways to work together

PCTC at the end of Term 2

## ENGAGEMENT WITTELL TEACHERS

### Contact teachers during school hours (7am to 5pm) via official communication channels

- e-mail
- leaving a note with staff at the General Office

### Treat all staff with respect

Role-model gracious and respectful communication

## O3 SUBJECT-BASED BANDING

### SUBJECT-BASED BANDING (PRIMARY)

## OFFERING DIFFERENT SUBJECT COMBINATIONS

### Subject-Based Banding (Primary)

- Offers students the option of Standard and Foundation Subjects, depending on their strengths.
- Allows students to focus on and stretch their potential in the subjects they
  are strong in while building up the fundamentals in the subject they need
  more support in.

### Subject-Based Banding (Primary)

- Schools will continue to recommend based on the following:
  - Student's aptitude, motivation and performance in each subject; and
  - Student's ability to cope with a particular subject combination.
- Offering subjects at Foundation level is not a disadvantage to the students.
   It enables them to focus on building up strong fundamentals in these subjects and better prepares them for progression to secondary school.

### Subject-Based Banding (Primary)

At the end of Primary 4, the school will recommend the subject combination that is most suitable for your child.

Based on your child's MTL results, these subjects may include Higher Mother Tongue Language in one of the official languages.

### Key Determinants for HMT

- School Recommendation
  - Based on your child's:
  - Potential and consistency in her Mother Tongue Language
  - Performance and ability to cope in other subjects

Parents' Option

### Students Taking HMT

- Use HCL for admission into Special Assistance Plan (SAP) schools
- Opportunity to stretch their potential in MTL & achieve higher levels of language proficiency and cultural knowledge

HMT grade does not contribute to the PSLE Achievement Levels

### How SBB Works

#### @ PRIMARY 4

Student sits for school-based examinations

School recommends a subject combination based on the student's results.

Parents fill up an option form indicating the preferred combination.

#### @ PRIMARY 5

Student takes subject combination chosen by parents

English Language, Mathematics, Science and Mother Tongue Language are available at standard and foundation levels.

Higher Mother Tongue Language is also available.

School assesses student's ability to cope with the current subject combination at the end of the year.
Adjustments to the number of standard and foundation subjects can be made, if necessary.

#### @ PRIMARY 6

Student takes subject combination decided by his school and sits for the Primary School Leaving Examination (PSLE) at the end of Primary 6.

# O4 PSLE SCORING & SECONDARY ONE POSTING (SINCE 2021)

### **PSLECHANGES ARE PART OF A BIGGER STORY**

Over the years, we have been fine-tuning the education system to help our students discover and develop their strengths and interests, while moving away from an over-emphasis on academic results.

#### Our PSLE scoring changes aim to:

- Reduce fine differentiation at a young age
- Recognise students' level of achievement, regardless of how their peers have done

The changes <u>will not affect the curriculum and subjects tested</u> at PSLE.

### **HOW PSLESCORING WORKS**

### FROM T-SCORE TO WIDER SCORING BANDS

### Reflects a student's individual level of achievement

Unlike the current T-score, students' AL for each subject will reflect their level of achievement, rather than how they have performed relative to their peers.

AL	RAW MARK RANGE
1	≥ 90
2	85 – 89
3	80 – 84
4	75 – 79
5	65 – 74
6	45 – 64
7	20 – 44
8	< 20

### **INSUMMARY...**

#### **WHAT REMAINS**

- Same 4 subjects are tested, and scores are awarded to guide students' choices for the next stage of their education journey
- Curriculum is continually updated. This is not related to the PSLE scoring and S1 posting changes.

#### **WHAT CHANGES**

- The T-score Aggregate has been replaced by the PSLE Score, to reduce the fine differentiation of our students at a young age based on exam scores.
- Students will be assessed based on their own achievement, instead of comparing them to their peers.

### How S1 Posting Works

## Presentation of Results in Achievement Levels

### PRESENTATION OF RESULTS IN ALS

AL will not

be

reflected for WA

- From the 2020 P5 cohort, schools will present school-based examination results of P5 and P6 students in ALs.
- This will help familiarise students and parents with the new AL scoring system.

The AL reflects the mastery of a broader curriculum, rather than for topical or component performance. As such, <u>AL will not</u> <u>be reflected for weighted</u> assessments (WA).

# Eligibility for Secondary School Higher Mother Tongue Language (HMTL)

#### **ELIGIBILITY OF HMTLIN SECSCHOOL**

 The eligibility criteria for taking HMTL is intended to ensure that students can cope with the higher academic load, and takes reference from the current criteria.

#### ELIGIBLITY CRITERIA FOR SECONDARY SCHOOL HMTL

(i) PSLE Score of 8 or better

OR

- (ii) PSLE Score of 9 to 14 inclusive; and attain
  - AL1/AL2 in MTL or
  - Distinction / Merit in HMTL
- For students who do not meet the above criteria, secondary schools will continue to have the flexibility to offer HMTL to students, if they are assessed to have high ability and interest in MTL and are able to take HMTL without affecting their performance in other subjects.

## Use of HCL for Admission into SAP Schools

## USEOF HCL FOR ADMISSION INTO SAPSCHOOLS

#### Prior to 2021

Currently, for admission to SAP schools, students are awarded bonus T-score points based on their HCL grade:

- o 3 points for Distinction
- o 2 points for Merit
- o 1 point for Pass

#### From 2021 Onwards

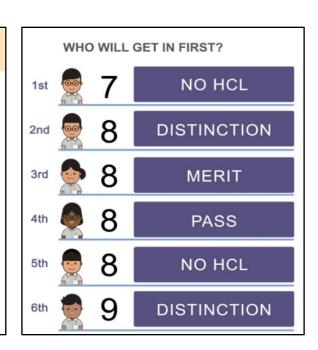

- Students with better PSLE scores will be posted first, even if they did not take HCL (the 1st child with 7).
- Amongst students with the same PSLE score, those with better HCL grades will be posted first. (the 2nd to 5th child with 8).
- This posting advantage applies <u>before</u>
   the tie-breakers for S1 posting.

### USE OF HCL FOR ADMISSION INTO SAPSCHOOLS

Will HCL students still receive bonus points for entry to SAP school?

#### POSTING ADVANTAGE

- Higher Chinese Language (HCL) students will continue to receive a posting advantage for admission to SAP schools
- For example, if 2 students have a PSLE Score of 8, the student who has a Distinction in HCL will be allocated a place in a SAP school ahead of a student who has a Merit in HCL.
- This posting advantage for admission to SAP schools applies before the tie-breakers for S1 Posting.

# O5 DIRECT SCHOOL ADMISSION FOR SECONDARY SCHOOL

#### **ENTERING A SECONDARY SCHOOL**

#### **PSLE/S1 Posting Process**

- Based on a student's PSLE score
- Most students enter secondary schools this way

#### DSA-Sec

- Based on a diverse range of talents and achievements in specific academic subjects or non-academic areas, beyond what the PSLE recognises
- Allows students to access school programmes to develop their talents

#### IS DSA-SEC RIGHT FOR MY CHILD?

If your child has specific talents which a school offers the DSA-Sec in,

and is passionate about and committed to developing her strengths and interests,

DSA-Sec can support her development in that talent area.

#### **DSA-SECAPPLICATION**

#### Which school should my child apply to?

- Look for a school with programmes that match your child's strengths and interests
  - Schools are looking out for students whose interests and talents they can develop further
  - Learn more about the secondary school's pace of learning and overall range of programmes
- Get the latest information about what each school offers by:
  - Visiting schools' websites
  - Attending schools' Open Houses to also experience their environments and cultures
  - Visiting the MOE's DSA-Sec website

#### **DSA-SECAPPLICATION**

#### What are schools looking for?

- Schools have updated their selection practices, which are based on a common set of student-centric principles, with more emphasis on looking for sound fundamentals and potential in particular talent areas.
- The DSA-Sec selection process remains objective and talent-specific.

#### **DSA-SECAPPLICATION**

#### What are schools looking for?

- The selection process differs across schools, and across different DSA-Sec categories.
- Generally, schools are looking for candidates with:

#### Talent, passion, commitment

- Schools may look at achievements and participation (e.g. in Junior Sports Academy).
- Schools may also conduct tests, trials or selection camps to identify students with strengths, or sound fundamentals and potential, in particular areas.

#### Strong personal qualities

- Schools may look at CCA records and VIA participation.
- Schools may also conduct interviews.

#### Good academic fit

 Schools may look at primary school results to ensure students can benefit from the school's pace of learning.

Students, be sincere, be genuine, and be yourself - if you are a good fit for the school, it will show.

#### DSA-SECAPPLICATION PORTAL

 To encourage students to tap on the expanded DSA opportunities, the DSA-Sec application process has been simplified

• Students to apply for DSA through a centralised DSA-Sec Application Portal, using a common application form.

 The portal simplifies and streamlines the DSA application process, making it convenient for all students.

#### FEATURES OF DSA-SEC PORTAL

- 1. Centralised online applications
- 2. Application using Sing Pass
- 3. No application fees
- 4. Making choices in the DSA-Sec portal

## What's in store for us with the DSA-Sec Portal?

#### For schools

#### For students and parents

#### Less paper work as:

P5-P6 results and CCA records will be ported over directly from School Cockpit

Testimonials are no longer required

Primary schools should not provide them, even if asked by parents

Secondary schools should not separately ask for personal essays, unless relevant to the DSA talent area

Greater convenience with one standardised application form\*

- Submit one application form indicating up to three choices
- Simplicity of one clear deadline

No fees for application nor selection

\*for application to all schools except School of the Arts (SOTA) & Singapore Sports School (SSP)
